LEASE AGREEMENT FOR
RAILROAD CARS

This Lease Agreement dated as of the 11th day of November, 1988 (the "Agreement"), by and between PLM Investment Management, Inc. ("IMI"), a California corporation (with its principals, collectively, for convenience, "Lessor"); and South Carolina Public Service Authority, a body corporate and politic, created and existing under the laws of South Carolina, sometimes known as Santee Cooper, ("Lessee"), with its principal place of business at P. O. Box 398, Moncks Corner, South Carolina 29461.

IDENTITY OF LESSOR

The parties hereto recognize and acknowledge that IMI may be acting under management agreements as agent for certain principals which shall be identified to Lessee by IMI from time to time. Such principals shall, from time to time, be set forth in a rider to this Agreement. IMI at any time, and from time to time, shall have the right to add principals (and amend or supplement a rider to include such principals) and upon so doing shall notify Lessee; provided, however, that not withstanding the date of such notification, such principal(s) shall be deemed a Lessor hereunder, effective as of the date the cars owned by such principal and managed by IMI are delivered to Lessee. Any amended or supplemented rider shall, from time to time, be delivered to Lessee. Lessee agrees to cooperate with IMI and any principal for the purpose of complying with any reasonable requirements of any lender, the Interstate Commerce Commission or the provision of Article 9 of the Uniform Commercial Code provided such cooperation does not materially affect the rights or liabilities of Lessee hereunder. Except as otherwise provided, this Agreement shall be administered by IMI or such other third person or entity as IMI may from time to time identify; provided, however, that any such assignment to such third person or entity shall not be effective against Lessee until Lessee is so notified of such assignment.

WITNESSETH:

1. Lease. Lessor agrees to furnish and lease to Lessee, and Lessee agrees to accept and use upon the terms and conditions herein set forth, the cars covered by the riders attached hereto and such additional riders as may be added hereto from time to time by agreement of the parties, and any and all other cars delivered to and accepted by Lessee. Each such rider shall set forth the number of cars, the rental rate, term of use, car numbers, and other pertinent information that may be desired by both parties. All cars leased pursuant to such riders, or otherwise delivered to and accepted by Lessee, are subject to the terms of this Agreement.

2. Delivery. Lessor agrees to deliver the cars to Lessee at such point or points as may be agreed to by the parties. Lessor's obligation as to such delivery shall be excused during the pendency of delays resulting from causes beyond its control. Lessee agrees to use the cars exclusively in its own service, except as hereinafter provided, and none of the cars shall be

shipped beyond the boundaries of Canada or the United States except with the prior written consent of Lessor.

3. Rent.

(a) Lessee agrees to pay the rental charges with respect to each of the cars from the date of delivery thereof and until such car is returned to and accepted by Lessor. Each monthly rental charge shall be paid in advance on the first day of the month, prorating, however, any period which is less than a full month on the basis of a month of thirty (30) days. The rental shall be payable without deduction, reduction, set-off or counterclaim of any kind, for any reason, whether or not related to this Agreement. Such rental charges shall be paid to Lessor at the address set forth in the riders to this Agreement.

(b) Within a reasonable period of time after the end of each calendar year of the term hereof, and upon termination of this Agreement, Lessor shall, on the basis of mileage reported by railroads, determine the total number of miles that each car traveled during the calendar year or the portion thereof just ended, loaded and empty. If it is determined that any car traveled more than the number of miles set forth in a rider during such period or a pro rata portion thereof for a period of usage of less than twelve (12) full calendar months, Lessee, upon notice by Lessor, shall pay to Lessor, within fifteen (15) days of receipt of such notice, as additional rent for such car for such period, an amount equal to the additional usage rental set forth in a rider multiplied by the number of miles in excess of the product of (i) the number of miles set forth in a rider and (ii) the number of days during such year for which rent accrued divided by 365.

4. Acceptance. Each of the cars shall be subject to Lessee's inspection upon delivery to Lessee. Failure to report any defect in the car within a reasonable time after delivery of the car or the loading of each such car by Lessee or at its direction shall constitute acceptance thereof by Lessee and shall be conclusive evidence of the fit and suitable condition thereof for the purpose of transporting the commodities then and thereafter loaded therein or thereon.

5. Records. Lessor agrees to keep records pertaining to the movement of the cars, and Lessee agrees to promptly furnish Lessor with complete reports of the car movements, including dates received, loaded and shipped, commodity, destination and full junction routing, and all information which Lessee may receive from railroad companies or other sources which may be of use to Lessor. Lessor shall collect the mileage earned by the cars, and, subject to all rules of the tariffs of the railroads, Lessor shall credit to Lessee's rental account such mileage as and when received from the railroads, but in no event shall the aggregate amount of mileage credited exceed the aggregate monthly rentals for the term of this Agreement.

6. Mileage. Lessee agrees to reimburse Lessor for any payment Lessor may be required to make to any railroad, due to mileage equalization where applicable, resulting from excess empty mileage incurred by the cars on such

railroad. For the purpose of this paragraph, the railroad mileage and junction reports shall be prima facie evidence of the facts reported therein. In addition, if Lessor is required to make any payments to a railroad resulting from the empty movement of any of the cars while they are in Lessee's service, Lessee agrees to reimburse Lessor for such payments.

7. Loss or Damage. Lessee shall promptly notify Lessor upon receipt by Lessee of knowledge of any damage to any of the cars. Lessor shall, at its expense, perform, arrange, and pay for all maintenance and repairs made necessary by ordinary wear and tear, or otherwise necessary to keep the cars in good condition and repair under the Interchange Rules. Lessee shall not repair, or authorize the repair of, any of the cars without Lessor's prior written consent, except that running repairs (as specified in the Association of American Railroads rules for Interchange and the Canadian Transport Commission regulations) may be performed without prior written consent. The amount Lessor will pay for such running repairs shall not be in excess of the basis, in effect at the time the repair is made, provided by the Association of American Railroads. If any car becomes unfit for service and requires repairs, other than repairs made by railroads, rental charges will cease five (5) days after receipt of such car at a shop authorized by Lessor, provided that Lessee has notified Lessor prior to the time the car is routed to shop. In the event Lessee fails to so notify Lessor, rental charges shall cease five days after receipt by Lessor of notification of the arrival of the car at a shop authorized by Lessor. In all cases, after a car has been repaired, rental charges will resume on the date the car is available for forwarding to Lessee. It is understood that no rental credits will be issued for cars in a shop for repairs which are Lessee's responsibility.

8. Removal from Service. In the event the physical condition of any car shall become such that the car cannot be operated in railroad service as determined by Lessor and Lessor elects to permanently remove such car from Lessee's service, the rental with respect to such car shall terminate upon the removal of such car. Lessor shall have the right, but shall not be obligated, to substitute for any such car another car of the same type and capacity and the rental in respect to such substituted car shall commence upon delivery of such substituted car to Lessee.

9. Lessee Responsibility. Lessee shall be responsible for and shall indemnify Lessor and hold Lessor harmless and does hereby release Lessor from the loss or destruction of, or damage to, the cars or any parts thereof, during the term; provided, however, Lessee shall not be responsible to the extent the then-prevailing Interchange Rules place responsibility upon a railroad subscribing to the Interchange Rules; and provided, further, that Lessee shall not be responsible if such loss, destruction, or damage to the cars or parts thereof was caused by the sole active negligence or willful misconduct of Lessor. Notwithstanding anything contained herein to the contrary, Lessee shall be responsible for and shall indemnify Lessor and hold Lessor harmless and does hereby release Lessor from the loss or destruction of, or damage to, a car or any part thereof during the term of this Agreement which shall (i) be occasioned by the misuse or negligence of Lessee, its consignee, agent or sublessee, (ii) occur while such car is on the tracks of Lessee or any private siding or track, or at the loading or unloading facility

of Lessee or its consignee, agent or sublessee, or on the track of any railroad that does not subscribe to the Interchange Rules or any private or industrial railroad or (iii) be caused by any commodity which may be transported or stored in or on such car.

Lessee shall notify Lessor of the loss or destruction of any of the cars within two (2) days of the date of such event. The amount of loss resulting from the loss or destruction of a car shall be measured by its replacement value as determined immediately prior to the time of such loss or destruction. The "replacement value" shall equal the amount payable by a railroad subscribing to the Interchange Rules for the car if the car had been in service of such railroad.

10. Loss or Damage to Lading. Lessor shall not be liable for any loss of or damage to commodities, or any part thereof, loaded or shipped in or on the cars, and Lessee agrees to assume financial responsibility for, to indemnify Lessor against, and to save it harmless from any such loss or damage, unless caused by the sole negligence of Lessor.

11. Appliances. Lessee, at its own expense, shall either replace or reimburse Lessor for the cost of replacing any appliance or removable part, if destroyed, damaged, lost, removed or stolen, unless the railroads transporting the cars have assumed full responsibility for such loss or damage, or unless such loss or damage results from the negligence or omission of Lessor, its agents or employees.

12. Linings. The application, maintenance, and removal of interior protective lining in any of the cars is to be performed by and at the expense of Lessee unless otherwise specifically provided for in the applicable rider.

13. Claims. Lessee agrees to indemnify and hold Lessor harmless from and against any loss, liability, claim, damage or expense (including, unless Lessee assumes the defense, the reasonable cost of investigating and defending against any claim for damages) arising out of or in connection with the use of the cars during the term of this Agreement, excepting, however, any loss, liability, claim, damage, or expense which accrues with respect to any of the cars (i) while such car is in a repair shop undergoing repairs; (ii) which is attributable to the negligence or omission of Lessor, its agents or employees; or (iii) for which a railroad or railroads have assumed full responsibility, including investigating and defending against any claim for damages.

14. Marks. Other than the restoration of Lessor's marks on the cars, no lettering or marking of any kind shall be placed upon any of the cars by Lessee except with the prior written consent of Lessor.

15. Load Limits. Lessee agrees not to load any of the cars in excess of the load limit stenciled thereon.

16. Charges. Lessee shall be liable for any demurrage, truck storage or detention charge imposed in connection with any of the cars as well as loss of or damage to any car while on any private siding or track or on any private or industrial railroad or in the custody of any carrier not subject to the Association of American Railroads Rules for Interchange or the Canadian Transport Commission regulations.

17. Sublease and Assignment. Lessee shall make no transfer or assignment of its interest under this Agreement in and to the cars without Lessor's prior written consent, and any attempted transfer or assignment without such consent shall be void, except that Lessee may sublease any of the cars to its customers for single trips consistent with its normal merchandising methods; provided, however, that notwithstanding any such sublease, Lessee shall continue to remain liable to Lessor under all conditions and terms of this Agreement. No right, title, or interest in any of the cars shall vest in Lessee by reason of this Agreement or by reason of the delivery to or use by Lessee of the cars, except the right to use the cars in accordance with the terms of this Agreement. Lessee shall keep the cars free of any lien or encumbrance created by or through Lessee and agrees to indemnify Lessor and hold Lessor harmless from any cost or expense, including attorneys' fees, with respect to such a lien or encumbrance.

18. Default. If Lessee defaults in the payment of any sum of money to be paid under this Agreement and such default continues for a period of three (3) days after notice to Lessee of such default; or if Lessee fails to perform any covenant or condition required to be performed by Lessee which failure shall not be remedied within ten (10) days after notice thereof from Lessor to Lessee; or if Lessee shall dissolve, make or commit any act of bankruptcy, or if any proceeding under any bankruptcy, or insolvency statute or any laws relating to relief of debtors is commenced by Lessee, or if any such proceeding is commenced against Lessee and same shall not have been removed within thirty (30) days of the date of the filing thereof; or if a receiver, trustee, or liquidator is appointed for Lessee or for all or a substantial part of Lessee's assets with Lessee's consent, or if without Lessee's consent the same shall not have been removed within thirty (30) days of the date of the appointment thereof; or if an order, judgment or decree be entered by a court of competent jurisdiction and continue unpaid and in effect for any period of thirty (30) consecutive days without a stay of execution; or if a writ of attachment or execution is levied on any car and is not discharged within ten (10) days thereafter, Lessor may exercise one or more of the following remedies with respect to the cars;

(a) Immediately terminate this Agreement and Lessee's rights hereunder;

(b) Require Lessee to return the cars to Lessor at Lessee's expense, and if Lessee fails to so comply, Lessor may take possession of such car without demand or notice and without court order or legal process;

(c) Lease the cars to such persons, at such rental and for such period of time as Lessor shall elect. Lessor shall apply the proceeds from such leasing, less all cost and expenses incurred in the recovery, repair,

storage, and renting of such cars, toward the payment of Lessee's obligations hereunder. Lessee shall remain liable for any deficiency, which, at Lessor's option, shall be paid monthly, as suffered, or immediately, or at the end of the term as damages for Lessee's default;

(d) Bring legal action to recover all rent or other amounts then accrued or thereafter accruing from Lessee to Lessor under any provision hereunder; or

(e) Pursue any other remedy which Lessor may have.

Each remedy is cumulative and may be enforced separately or concurrently. If Lessee fails to perform any of its obligations hereunder, Lessor, at Lessee's expense, and without waiving any rights it may have against Lessee for such nonperformance, may itself render such performance. Further, Lessee shall reimburse Lessor for all costs and expenses including reasonable attorneys' fees expended by Lessor in the enforcement of its rights and remedies hereunder, and Lessee shall pay interest on any amount owing to Lessor from the time such amount becomes due hereunder at a monthly rate of one and one-half percent (1-1/2%); such rate to be reduced, however, to the extent it exceeds the maximum rate permitted by applicable law. In addition, Lessee shall, without expense to Lessor, assist Lessor in repossessing the cars and shall, for a reasonable time if required, furnish suitable trackage space for the storage of the cars.

If applicable, Lessor shall be entitled to the remedies of a Lessor under Section 1168 of the U. S. Bankruptcy Code.

19. Return Provisions. Upon the termination of each rider, Lessee agrees, subject to the provision of paragraph 8 above, to return the cars to Lessor at a point or points on CSX system designated by Lessor, in the same or as good condition as received, ordinary wear and tear excepted, free and clear from all accumulations or deposits from commodities transported in or on the cars while in the service of Lessee. If any car is not returned to Lessor free from such accumulations or deposits, Lessee shall reimburse Lessor for any expense incurred in cleaning such car.

20. Taxes. All federal, state, provincial, and local taxes levied or assessed against the cars furnished Lessee under this Agreement, payable on account of the ownership of such cars, shall be paid by Lessor, and all returns and reports in connection therewith shall be made by Lessor. All taxes payable on account of or measured by the rental paid or the use of such cars (excluding any tax which is based solely upon or measured solely by Lessor's net income) shall be the responsibility of Lessee. In the event any taxes or assessments, other than those payable on account of ownership, are levied against the cars or the rental paid for the use of the cars covered by any rider to this Agreement by any federal, state, provincial or local authority, in addition to those taxes or assessments in effect on the effective date of such rider, Lessee agrees to pay to Lessor, in addition to any other amounts due, a sum equal to the amount of any such taxes or assessments.

In order to avoid recapture of any tax benefit claimed by Lessor with respect to the cars, including, but not limited to any deduction allowable under section 168 and related Sections of the Internal Revenue Code of 1986 (the "Code"), Lessee shall (i) use the cars predominantly within the continental United States within the meaning of the Code and (ii) shall cause third parties having control over their use to use the cars predominantly within the continental United States, in accordance with the Code.

If Lessor (or any owner of a partnership or beneficial interest of Lessor) shall lose by disallowance, recapture or otherwise, any portion of said tax benefits as the result of any act committed by Lessee or Lessee's failure to take any act pursuant to the above paragraph, Lessee agrees to pay Lessor or such owner a sum which, after deduction of all taxes required to be paid by Lessor or such owner in respect of the receipt thereof under the laws of the United States or any political subdivision thereof, shall be equal to the amount of the tax benefits so lost by Lessor or such owner, which sum shall be payable on written demand made at any time after payment of the tax attributable to the portion of the tax benefits lost; provided, however, that Lessee shall be under no obligation to indemnify Lessor for the amount of any tax benefits lost with respect to any car for which Lessee has paid to Lessor the replacement value set forth in Section 9 hereof.

21. Mortgages; Liens. It is understood that some or all of the cars furnished Lessee under this Agreement and Lessor and/or principal's rights under this Agreement may at the time of delivery to Lessee or at some future time during the term of this Agreement be subject to the terms of any lien or encumbrance (a "Lien") including a Mortgage, Deed of Trust, Equipment Trust, Pledge, or Bill of Sale or similar security arrangement. Lessee agrees that any or all of the cars may be stenciled or marked to set forth the ownership of any such cars in the name of the holder of any Lien (the "Lien holder") including a mortgagee, trustee, pledgee, assignee or security holder and that this Agreement and Lessee's rights hereunder are and shall at all times be subject and subordinate to any and all rights of any Lien holder. Lessee agrees that upon the written request of Lessor or any Lien holder at any time or from time to time, Lessee will enter into a written agreement with any Lien holder(s): (i) that the Lien(s) will have priority and be entitled to all rights therein as though the Lien were made before this Agreement and on the making of this Agreement Lessee had knowledge of the Lien; (ii) confirming the security created by the Lien and rights given to the Lien holder(s); and (iii) postponing and deferring this Agreement and its rights hereunder and to the cars and agreeing that they will be subject and subordinate to the Lien(s) and the rights of the Lien holder.

This Agreement and/or any of Lessor's rights hereunder, including rentals, may have been assigned and may in the future be assigned to any Lien holder(s) or others. Lessee hereby consents to and accepts any such Assignment. Lessee acknowledges notice of any such Assignment and of any Lien which is filed under Section 11303 of the Interstate Commerce Act of the United States of America. However, Lessee is to pay all rentals hereunder to Lessor and have all its dealings hereunder with Lessor until notified to the contrary by any person proving to Lessee's reasonable satisfaction that he is the assignee of this Agreement and/or the relevant rights of Lessor hereunder

and is entitled to intervene. Lessee represents that it has received no notice of any other mortgage, charge, hypothecate or encumbrance on or of any assignment, sale or disposition of any car covered hereby or of any of Lessor's rights hereunder. Lessee agrees that no claim or defense which Lessee may have against Lessor shall be asserted or enforced against any assignee or this Agreement and/or any rights of Lessor hereunder.

22. Notices. Any notice, demand or request required or permitted to be made, given or served by either party to or upon the other hereunder, shall be in writing and shall be deemed to have been made when deposited in the United States or Canada mail, certified or registered mail, postage prepaid and addressed to Lessor or Lessee at the address set forth in a rider to this Agreement.

23. Successors. This Agreement shall be binding upon the parties hereto, their respective successors, assigns and legal representatives; and shall remain in full force and effect from the date hereof until the completion of the leasing arrangement shown on attached riders of the last car or cars hereunder, and all such cars are returned to Lessor.

24. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of California.

25. Insurance. Lessee shall maintain the following insurance:

(a) Lessee shall, at its expense, purchase and maintain in force during the continuance of this Lease, a policy or policies of insurance with an insurance company or companies satisfactory to Lessor, insuring Lessee and ~~Lessee's affiliate, Lessor, and Lessor's assignee or mortgagee, if any, as their respective interests may appear~~ as follows: (1) Bodily Injury Legal Liability (Limits of per person, per occurrence); (2) Property Damage Legal Liability (Limits of per occurrence); and (3) ~~Casualty~~ Insurance against loss of, or damage to the Cars, with such limits, deductibles, and retentions as are reasonably satisfactory to Lessor.

Lessee's

(b) Promptly after execution of this Lease, the Lessee will furnish the Lessor with certificates of insurance evidencing the aforesaid insurance coverages. ~~Insurance shall be suitably endorsed, naming Lessor and Lessor's mortgagee (if any) with not less than thirty (30) days prior written notice of any intended cancellation of such coverages, or any part thereof. Such insurance shall, further provide that, the proceeds of any policy shall be payable to Lessor or Lessor's mortgagee or assignee, if any, notwithstanding any breach of warranty by Lessee.~~ In the event any of the cars shall not be adequately covered by such insurance at any time during the term of this Lease, or should Lessor be given notice of an intended cancellation of such insurance, Lessor shall have the right, at its option (1) to cover the cars with the above-described types of insurance and to recover from the Lessee at the time the next monthly rental payment is due, the premiums expended by Lessor for such insurance, or (2) Lessor may proceed as provided in Article 18 in this Lease. Lessee shall fully cooperate with Lessor to (i) prepare and file proofs of loss, and (ii) endorse any check, draft or other order for the

26. Additional Provisions. Additional provisions of this Agreement may be set forth in a rider, which, if executed by Lessor and Lessee, is incorporated herein by this reference.

27. Representations and Warranties of Lessee. Lessee represents and warrants that, as of the date of this Agreement:

(a) Lessee is a body corporate and politic validly existing and in good standing under the laws of South Carolina and is either duly qualified to do business and is in good standing in such other jurisdictions in which the business and activities of Lessee require such qualification, or its failure to so qualify in such other jurisdiction will not have a material adverse impact on this Agreement.

(b) Lessee has full corporate power to enter into this Agreement.

(c) The Agreement had been duly authorized, executed, and delivered by Lessee, and constitutes a valid, legal and binding agreement, enforceable in accordance with its terms.

(d) No approval is required by Lessee from any governmental or public body or authority with respect to the entering into or performance of this Agreement.

(e) The entering into and performance of this Agreement will not conflict with, or result in a breach of, the terms, conditions, or provisions of (i) any law, or any regulation, order, injunction, permit, franchise, or decree of any court or governmental instrumentality, and (ii) any indenture, agreement, or other instrument to which Lessee is party or any of its property is bound.

28. Modifications. In the event the U. S. Department of Transportation, or any other governmental agency or non-governmental organization having jurisdiction over the operation, safety or use of railroad equipment, requires that Lessor add, modify, or in any manner adjust the cars subject to this Agreement in order to qualify them for operation in railroad interchange, Lessee agrees to pay an additional monthly charge of [REDACTED] per car for each [REDACTED] expended by Lessor on such car, or such other monthly charge in lieu thereof, as may be provided for modifications, in any rider hereto, in any case, effective as of the date the car is released from the shop after application of such additions, modifications or, adjustments (hereinafter the "Modifications"). No rental credits will be issued on cars entering the shop for any Modifications for the first thirty (30) days. In the event Lessor, in its sole discretion, determines, prior to making any Modifications, that the cost thereof is not economical to expend in view of the estimated remaining useful life of such car, and Lessor elects to permanently remove such car from Lessee's service rather than have such car taken to a car shop for such Modifications, the rental with respect to such car shall terminate upon the

date specified in writing by Lessor, provided that such date must be prior to the date the Modifications are so required to be made.

29. Captions. Captions to any provision of this Agreement are for ease of reference only and are not to be construed to be part of this Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement (such execution may be by two or more counterparts, each of which shall be deemed an original) the day and year first above written.
